The **freight costs percentage** depends on the distance of your requested delivery address as well as on the net order value.

The necessary transport packaging which is 3% of the net order value is already included.

Net order value in € VAT excl. > 15.000 €: direct truck or container transport - please ask our export department for an individual offer!

Additional charge for deliveries at trade fairs as well as for deliveries to islands on request.

2% additional charge for fixed delivery dates.
